

Wiring Diagram Legend for Vehicle with 2.5 ltr. Diesel Engine **Model Year 1987 — Pages 177 to 180**

- 1 Cigar lighter and lighting
- 10 Alternator with regulator
- 25 Horn
- 45 Battery
- 46 Instrument cluster
- 110 Glow-plug timer unit
- 115 Glow plug
- 130 TDC sensor
- 145 Flasher unit
- 170 Rear door light switch
- 180 Reversing light switch
- 185 Stop light switch
- 190 Handbrake switch
- 229 Ignition switch
- 230 L.H. front door switch
- 231 R.H. door switch
- 234 Glovebox switch
- 236 Brake fluid level switch
- 253 Direction indicator switch
- 258 Lighting switch
- 263 Windscreen wiper/washer switch
- 272 Main and dipped beam switch
- 300 Starter motor
- 304 Water in fuel detection unit
- 308 Lamp diode
- 340 Fuel pump stop solenoid
- 370 Interior lamp
- 375 Glovebox lighting
- 385 Number plate lighting
- 430 L.H. front brake caliper
- 431 R.H. front brake caliper
- 440 L.H. front side lamp
- 441 R.H. front side lamp
- 445 L.H. rear lamp cluster, tail lamp, stop lamp, reversing lamp, flasher lamp
- 446 R.H. rear lamp cluster, tail lamp, stop lamp, reversing lamp, flasher lamp
- 470 Fuse

- 480 L.H. front direction indicator lamp
- 481 R.H. front direction indicator lamp
- 488 L.H. headlamp
- 489 R.H. headlamp
- 509 Horn switch
- 511 Rear fog lamp switch
- 513 Side and tail lamps and lighting switch
- 558 Air blower and lighting switch
- 570 Hazard warning light switch
- 580 Fuel gauge unit in tank
- 600 Windscreen wiper motor and timer unit
- 634 R.H. cooling fan
- 635 L.H. cooling fan
- 650 Engine oil pressure switch
- 655 Air filter clogging pressure switch
- 680 Windscreen washer pump
- 691 L.H. front interior lamp
- 692 R.H. front interior lamp
- 720 Diagnostic socket (TDC)
- 721 Bridge over main beams relay connector
- 737 Bridge over dipped beams relay connector
- 772 L.H. cooling fan relay
- 774 R.H. cooling fan relay
- 780 Lamps relay
- 789 Dipped beam resistance
- 810 L.H. direction indicator repeater lamp
- 811 R.H. direction indicator repeater lamp
- 840 Coolant temperature switch
- 850 Cooling fan 2-stage thermal switch
- 855 Overheating water temperature thermal switch
- 935 Air blower (A/C system)

Earth Connections

- m3 on fuel filter
- m3 on L.H. wheel arch
- m5 on wiper motor mounting
- m5 R.H. side, under dashboard

Cable Colour Code

- | | | |
|----------------|------------|-------------|
| A = Light blue | J = Yellow | R = Red |
| B = White | M = Brown | Ro = Pink |
| Bl = Blue | N = Black | V = Green |
| G = Green | O = Orange | Vi = Purple |
